

## Irrigation & Waterworks

### Regular Canal Gate

#### Versatile:

Here is a fast and easy flow control gate for use in diversion boxes, canals, laterals, and reservoirs.

#### Well Built:

Constructed of heavy gauge steel and specially treated to resist rust and corrosion, this gate will provide years of trouble free service.

#### Leak Proof:

The reinforced, galvanized slide is fitted into a Neoprene gasket in the frame to provide a leak proof seal.

#### One Handed Operation:

Equipped with a gear drive, the gate can be fully opened or closed with just one hand in only four revolutions.

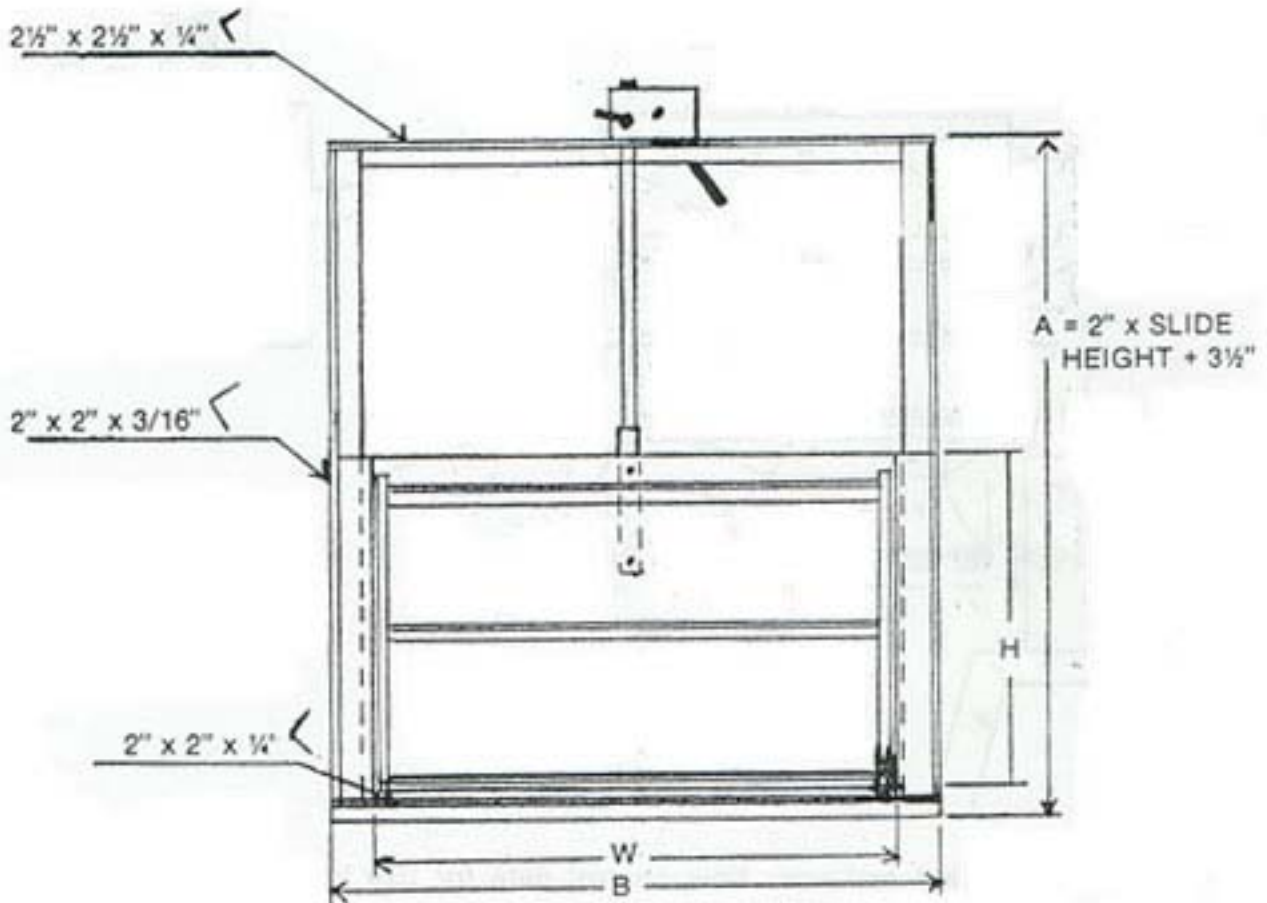

#### Precise Adjustment:

The slide can be held partially open by the simple Twist Lock to allow a precise water flow.
